Description: Racial discrimination is cruel—and especially so to younger children. This title encourages kids to accept and be comfortable with differences of skin color and other racial characteristics among their friends and in themselves. A First Look At... is an easy-to-understand series of books for younger children. Each title explores emotional issues and discusses...

Review: I liked it but not as much as I'd hoped I would. Got this and a few other books for my daughter during black history month and this was my least favorite. I think it's the fact that it explains things in a very black and white way when there are definite grey areas when it comes to racism. I felt it was too simplistic, even for my preschooler....
